College Code 164

August 09, 2017

NOTICE

All students are hereby informed that the Rotary Club of Pune Pride (RCPP) and College of Engineering Pune (COEP) are jointly organizing the 3rd edition of the InTech Olympiad (formerly known as IT Olympiad) with support from AICTE, A-Four Technologies and Virtual Labs. This is an excellent platform where students can showcase their talent to solve real-life problems from multiple domains as a part of a multi-disciplinary team. The aim of the Olympiad is to help give and exposure and experience to Engineering students to technical problem solving.

The contest will be held through 1 trial round and 4 subsequent rounds. In the trial phase, after registration, participants will need to take an online Aptitude and English test between 12th and 20th August. All qualifiers will move to the second round, where there will be further Aptitude, Psychometric and Project Specific Tests. Project teams will be formed in Round 3 and the project work will also happen in this round.

All students of PSIT are hereby advised to register for the competition and appear for the test with due seriousness. Last date for registration is 10th August.

Details about the contest and the registration link are available on <https://www.intecholympiad.org/>
